LEVANT STREET EATERY

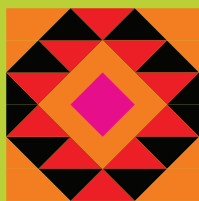

OUR STORY

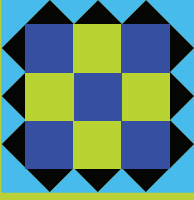

It began in the vibrant streets of the Levant.

We are inspired by our childhood memories of the bustling alleys of the region. By the architecture of old buildings, the aromas of delicacies that drift out of people's homes, and the street art. We also cannot forget the generosity of ma'alem el shawarma, the creative flavors of the ice cream truck owner, and the hospitality of the grill restaurant around the corner.

In these streets, our personality was formed, in which we played, danced, celebrated, laughed, learned, and grew.

Because such nostalgic memories can never die, we bring them to life with you at Zaroob!

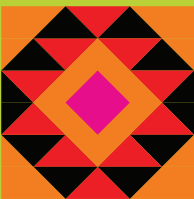

قَصَّتْنا قَصَّة

قَصَّتْنا بدأت من زمان، في شوارع بلاد الشام.

من الشوارع المزدحمة، و الزوارب يلي كلها حياة،
من البنايات القديمة والبيوت يلي تفوح منها ريحة الأكل،
من الفنون في حيطانها، من معلم الشاورما، من فوال الحاره،
من عمو صاحب ترك الأيس كريم، والمحل يلي عندو
أطيب مشاوي.

هاالشوارع فيها ذكريات ما مننساها، فيها ضحكنا ولعبنا،
رقصنا وفرحنا، كبرنا وتعلمنا، وتكونت شخصيتنا.

ولانوا الذكريات عمرها ما تموت، قررنا نعيشها معكم
كل يوم في زاروب.
